

5th February 2010

NEWSLETTER 20

Dear Parents

IB2 and Year 11 will be very relieved to have completed their Mock Exams this week. At the start of next half term parents will receive a brief report on the results.

As I said last week, after half term there will be a new system in place for children who arrive after 8:35 in the morning. Pan Andrzej will give a Late Slip to anyone arriving after 8:35 and this will have to be taken to the School Office to ensure that students are marked as present in the register. Primary students should be accompanied by their parent (or whoever is delivering them to school) but Secondary students are responsible for this themselves. We are introducing this new system to ensure that all students on the premises are on the attendance register – in the event of an emergency this is very important.

Are you interested in learning to play the violin? If you are, we are looking to start a Suzuki Violin class. The Suzuki method of teaching the violin is highly successful and works well for children of all ages. Children can start as young as 4 years old and there is a variety of individual and group tuition. We would like to organize classes in school, so please let Mr Davidson know if you are interested.

I hope you all enjoy your midterm break – see you back in school on 15th February.

Best wishes

Jonathan Merrett
Head of School

3rd prize: art materials
to the value of 50PLN

PTA Newsletter

Dear Parents and Teachers,

Time flies and we are already coming to mid term break for the pleasure of all !!

After this short holiday, on Monday 15th February, the members of the canteen commission will meet some representatives of the school council and on Wednesday, 17th February some students, some members of the commission, Miss Lawson and myself will pay a guided visit to the catering company. The students will be able to discuss the meals with the manager and express their wishes. This positive initiative has been undertaken at the request of the Student Council.

The following Friday, on 19th February, the Forum of Professions will have its début. We already have six talented parents who have willingly offered to participate. (There will be a translator, a secondary teacher, a physical education teacher, a hotel general manager, a chief accountant, a computer engineer and a mechanical engineer). Please come and join if your area of work is not yet covered.

To end on a sweet note, on behalf of the PTA team I would like to congratulate the Szczepaniak family on the arrival of their new baby, Ines.

That is all for now. Have an excellent holiday!!

Best regards,

Sylvie Ayivi.
